Nadiad, India

10th standard
Basudivala Public High School

Professional Experience

Jun 2023 – Jul 2023
Vadodara, India

Data science
intern

Data Science Intern | Oasis Infobyte

During my internship at Oasis Infobyte, I had the opportunity to apply my knowledge and skills in data science to real-world projects, gaining invaluable experience in the field. Working alongside a team of experienced professionals, I contributed to various stages of the data analysis process and helped derive actionable insights for the company.

Parul Institute Of Technology
Training & Placement Coordinator

Training and Placement Coordinator | Parul Institute Of Technology.

As the Training and Placement Coordinator at Parul institute of technology, I played a pivotal role in guiding and supporting students in their career development, while fostering strong relationships with industry professionals. Through strategic planning, collaboration, and effective communication, I helped bridge the gap between academia and the professional world.
